PHCA has many Shopping Cards in-stock

"What does this mean to you?" you ask:

- * Using shopping cards can help you stick to a budget.
- * If you buy gas...we carry Sheetz, Get-Go, Marathon and Speedway cards on-hand.
- * If you ever stop for fast food or go out to a restaurant...you could pick up cards from us first.
- * If you buy groceries at Giant Eagle or GFS...we have grocery cards too.
- * If you shop at a department store, home improvement store or a specialty store, many cards are on hand and available today.
- * Do you have a Kohl's credit card? You can use our Kohl's shopping cards to pay your Kohl's charge card.

If you've never used this program, here's how it works: You simply buy your shopping/gift cards from the Academy first, then you go to the store to buy what you were already planning to buy. The Academy is supported by the portion of your consumer dollars donated by that store.

Do you shop online? Our Shopping Card Program has the added bonus of buying online and receiving physical cards, e-cards or reloading physical cards you already have. Go to MyScripWallet.com and enter the code 8FB99ECF65482. Sign up and start shopping.

Cards for this ongoing fundraiser are available Sundays between services at the Academy table in the glass walkway and Monday-Friday in the Academy office.

Thank you for supporting PHCA.
